Haliç University Associate and Undergraduate Degree Education and Training Regulation

ARTICLE 22:

e) **Grade Increase Exam:** Students who, despite being successful in all courses, have not yet completed their graduation requirements only because their CGPA is below 2,00, are given the right to take the exams of up to three selected courses, provided that they can raise their CGPA to 2,00 or above. In these exams, there are not any restrictions related to the highest received grade and the received grades will replace the previous grades. Students who fail these exams or whose CGPA does not reach 2,00 or above are subject to the rules on course repetition. No make-up exams are accepted for these exams and the provisions for the make-up exams are not applied.
